

18 AND OVER NON-COMPETITIVE DANCE DISPLAY

WHAT:

There are currently very little competitive highland dancers in NZ over the age of 18. This is largely due to minimal dance schools located in the same cities as universities and because there are almost no non-competitive opportunities for our adult dancers to perform together. In addition, many ex-competitive NZ dancers aged between 18 and 30 are current teachers who do not want to compete against their own pupils. Furthermore, many are previous New Zealand, International, Scottish or World Champions who have very high standards and struggle to compete unless they are at peak standard.

For this reason, HDAOT is offering 18+ dancers the opportunity to perform for the love of dance. This is held at the same venue as our local competition to give participants from across the nation an opportunity to come together at a single event.

We hope this opportunity will also inspire New Zealand's up and coming dancers.

- Perform between four and eight dances of choice.
- Non-Competitive.
- Not Judged.
- Dance for the love of dance and inspire our youngsters
- Competitive dancers can enter the competition or take part in the performance but not both.

DRESS CODE:

Kilt/Aboyne Skirt with black singlet/leotard. All other elements as per normal competition (hair, shoes, etc)

DONATION

Please bring along a \$10 donation on the day- to help us cover use of music, time, venue, power etc.

Participants will receive a small gift of thanks that has been donated by local dancing families in appreciation of the rarity seeing senior dancers perform in New Zealand.

DETAILS:

Please send the following details to emailhdaot@gmail.com before 15 July 2021.

- Name
- Age
- Dances you would ideally like to perform
