

All grades must pay an annual registration and administration fee which is set and reviewed by ScotDance NZ each year. Parents/Caregivers (if the dancer is under 18 years) must sign all forms on the dancer's behalf.

The registration is valid from 1st January until 31st December of each year and can be processed from 1 November of the previous year. The exception to this timeframe is **Primary or Beginner** dancers registering for the first time in November or December and only competing **once** that current year. Their card will be issued for the following year at no charge for the time that the dancer remains in that same grade.

When renewing registration cards for the ensuing year – all steps must be followed as in New/First Time Registration – with the **exception** of submitting an official document with evidence of birthdate.

Complete the signed **Registration Form** along with **Two Passport photos** signed on the back by Teacher.

A \$30 **Registration Fee** must be paid by Direct Debit to ScotDance NZ Account

Westpac 03-1522-0139952-000 (Use Dancers name as reference) along with a **Stamped, self-addressed envelope** for return of the new Registration card, unless opting and paying for courier on Registration Form.
